

CS 314: Data Structures

May 3, 2021 - The Last Section!

Sam's Section

Slides available at: www.cs.utexas.edu/~slaberge

Upcoming

- Another busy week :(
- Graphs Assignment is due **Tuesday**
- Exam 3 is this **Friday, May 7th 6-8pm** :((
- Remember to do eCIS for extra credit!

Graphs Assignment

- Be careful of redundant code in `findAllPaths()`.
- Be careful of magic numbers for formatting in `printRootMeanSquare()`
- While you *can* use slip days on this assignment, remember that your exam is Friday
- Ask questions on Piazza for fast answers!

Exam 3

- Start studying as soon as you can
- Even if you didn't do Huffman, review the assignment: it could be covered on the exam.
