Help Hours

How you can help us & your peers

- If your question can be answered on Piazza, ask there!

- Do not come to Help Hours to ask for style checks for your entire assignment

- Try to limit the number of times you come to help hours

  - After you've been helped, work on it a bit on your own before immediately rejoining the line

# Help Hours

Schedule for this week

- No office hours on Wednesday once the exam starts (duh..)

- No office hours on Thursday, the day after the exam

- I'll hold an extra help hour tomorrow, Oct. 6 from 12-1pm

Exam on Wednesday

- 25 Multiple Choice - 50%

- 3 Programming Questions - 50%

-

Exam on Wednesday

- Please use reformatted text option on Canvas:
